### PRIORITISATION OF HIGH-RISK GROUPS

The following people will continue to be prioritised for vaccination, in the following order:

- people who are scheduled (have appointments) to be vaccinated on a particular day; and

Anyone **over the age of 50** is encouraged not to wait for a scheduled appointment, but to present as a walk-in at any vaccination site.

People belonging to high-risk groups who are older than 18 should be vaccinated as soon as possible.

High risk groups include:

- transplant recipients;
